

Oak Tree Cottage, Woodhouse End Road, Macclesfield, Cheshire SK11 9QT

Built in 1919, Oak Tree Cottage was originally one of five smallholdings established to provide returning soldiers with a sustainable agricultural livelihood. Over the past 28 years, the current owners have carefully and sympathetically extended and enhanced the property, creating a truly exceptional home set within the picturesque Cheshire countryside.

The well-appointed accommodation briefly comprises a porch leading into an impressive entrance hall with a vaulted ceiling, a spacious 28-foot lounge with a multi-fuel stove, a conservatory, dining room, kitchen, utility room, and a WC to the ground floor. To the first floor are three bedrooms, including a principal bedroom with en suite, alongside a contemporary family shower room. The property further benefits from oil-fired central heating and double glazing throughout.

Occupying a plot of approximately half an acre, the cottage is surrounded by beautifully maintained gardens on all sides, complemented by a generous driveway. A charming wildflower meadow adds to the setting, while beyond the garden lies an additional acre of pasture land acquired by the current owners, enjoying far-reaching views across open farmland.

Macclesfield is a thriving business centre and market town with excellent local amenities and a choice of modern leisure and sports facilities. The town is situated on the Cheshire Plain, at the edge of the Peak District National Park with its picturesque beauty and extensive walks.

Residents of Macclesfield have access to good transport links including national motorways, major roads and train networks, including the West Coast Line direct to London. Manchester International Airport is only thirteen miles away by road. Greater Manchester is within comfortable daily travelling distance and there are regular bus services to neighbouring towns.

Proceed out of Macclesfield in a southerly direction along the A523. At the Fools Nook Public House take a right turn over the canal. Drive for approximately half a mile and the property can be found on the right hand side.
