

## 42, Leat Place, Macclesfield, Cheshire SK10 5DF

This beautifully appointed four-bedroom detached home, constructed by Bellway Homes to a high specification, offers stylish and contemporary living within one of Bollington's most sought-after residential developments.

Enjoying an attractive position overlooking the River Dean, the property combines a peaceful setting with excellent convenience, being just a short walk from Bollington village centre and the popular Middlewood Way. Ideally suited to family life, it is also well placed for highly regarded local schools, everyday amenities, and scenic countryside walks.

The well-presented accommodation is thoughtfully arranged and comprises: an entrance hall, a comfortable lounge, and a spacious dining kitchen—perfect for both everyday family living and entertaining—along with a practical utility room to the ground floor. To the first floor, the principal bedroom benefits from an en-suite shower room, complemented by three further well-proportioned bedrooms and a contemporary family bathroom. The property also benefits from gas-fired central heating and uPVC double glazing throughout.

Externally, the property is equally impressive. Set back behind a tarmacadam driveway providing off-road parking and access to the integral garage, the front is laid mainly to lawn with well-kept borders. The rear garden is a particular feature, having been thoughtfully landscaped to create a private and inviting outdoor space. Fully enclosed, it includes a low-maintenance artificial lawn, an Indian stone patio ideal for entertaining and raised planting beds. A timber-built outhouse, currently utilised as a stylish outdoor bar, completes this superb garden.

Bollington is a highly regarded location that retains a strong village feel, supported by a thriving and active community. The area hosts a variety of events throughout the year, including the popular Bollington Festival, and offers a wide range of clubs and societies. There are well-regarded local primary schools, with secondary schooling available in nearby Macclesfield. The surrounding area provides excellent opportunities for walking and cycling, along with an increasing selection of independent shops, restaurants, and bars.

Macclesfield lies approximately three miles away and offers a comprehensive range of amenities together with excellent transport links, including access to major road networks and mainline rail services providing direct connections to London. Manchester International Airport is also conveniently situated approximately ten miles away.

From Macclesfield, proceed north along the Silk Road. At the second roundabout, take the third exit onto Bollington Road, continuing into Henshall Road and then Wellington Road. Turn left into the Waterhouse Mill development just prior to the Co-op, then take the first right into Leat Place. The property can be found on the right-hand side.
