Located within a prestigious and iconic development, this spacious ground floor apartment offers an exceptional opportunity for first-time buyers to step onto the property ladder in one of Macclesfield's most desirable residential locations. Balmoral House forms part of a Grade II listed Victorian building with a rich local history, thoughtfully converted by Jones Homes to create an impressive collection of homes that blend character and period charm with modern living, all set within beautifully maintained communal grounds.

The well-presented accommodation briefly comprises an entrance hall, a bright and spacious living room, kitchen, double bedroom and a bathroom. Externally, the property benefits from an allocated off-road parking space positioned to the front of the development.

This is a fantastic opportunity for eligible first-time buyers to purchase a stunning apartment within a highly sought-after location at an accessible price level. Please note that interested parties must be approved by Cheshire East Council prior to proceeding. Interested parties should contact the office for further details.
