Craig Close is a semi-detached bungalow that lies nestled away in the corner of a quiet cul-de-sac to the south of Macclesfield. The property is presented in good order and has been well looked after over the years, but it would benefit now from some updating.

The property comprises a living room, a kitchen, two double bedrooms, a bathroom, and an outside garage. The property benefits from a gas central heating system and uPVC double glazing throughout.

The property is set behind a paved garden and benefits from a generous driveway that provides ample parking and access to the garage. To the rear, there is a laned garden bordered with fence panels and a range of mature shrubberies and flower beds.

The property is located close to local shops and is a short drive away from the town centre and railway station.

Macclesfield is a thriving business centre and market town with excellent local amenities and a choice of modern leisure and sports facilities. The town is situated on the Cheshire Plain, at the edge of the Peak District National Park with its picturesque beauty and extensive walks.
