Property Details

A beautifully arranged two double bedroom, two bathroom split-level garden flat, set within an attractive double-fronted Victorian property. Arranged over two floors, the home offers a well-considered layout with a clear separation between living and sleeping spaces. The bright open-plan reception and kitchen is ideal for both relaxing and entertaining, featuring sleek white wrap-around cabinetry, integrated appliances and generous glass worktops. A dining area subtly defines the space, while French doors open onto the private garden, creating a seamless extension of the living area. South-East facing, the garden is low-maintenance with a paved patio and raised tier, perfect for al fresco dining. The bedrooms are positioned on separate floors for privacy. The principal suite upstairs benefits from built-in storage and the luxury of both access to a flat roof and an en-suite shower room, while the second double bedroom sits behind a bay window, served by a stylish bathroom with bathtub and overhead shower.
