Property Details

Keating Estates are delighted to present to market this charming one-bedroom Victorian apartment arranged over the upper floors of an attractive period building with access to a shared front garden. The property is accessed via a private entrance on the first floor, where an internal staircase leads up to the top floor. Inside, the home is arranged across thoughtfully staggered levels, creating a sense of flow and separation. The reception room spans the full width of the building, with two sash windows providing far-reaching city views and sleek wooden flooring installed with insulation and soundproofing. The bedroom is set to the rear with neutral décor and soft carpet. A short flight of stairs leads to the dine-in kitchen, complete with cream gloss cabinetry arranged in an L-shape and complemented by dark contrasting worktops and a classic subway-tiled splashback, creating a bright and uplifting space with ample room for a dining table, ideal for both everyday meals and hosting friends. The bathroom includes a shower cubicle, vanity unit and heated towel rail. The loft space is large and currently used for storage, offering potential for future extension subject to planning permission.
