Property Details

The heart of the home is the open plan reception room, a bright and airy space with high ceilings, a cosy living area, space to dine and the sleekest of modern kitchens. Since the recent refurbishment, the flat has only been occupied by one careful owner, meaning the space is ready to move into where the new purchaser can stamp their own mark over time in a flat that feels next to new. Both bedrooms are comfortable doubles, the larger being an ideal principal bedroom and the second, ideal if sharing with friends or to keep as a guest bedroom if required. The space could also easily be repurposed to suit the needs of the occupier. The flat is completed by a modern, tiled bathroom with underfloor heating, in keeping with the sleek modern feel on offer within this property.
