

Hydethorpe Road, Balham, SW12

3 bedroom house - terraced for sale

£1,000,000

Freehold

Property Details

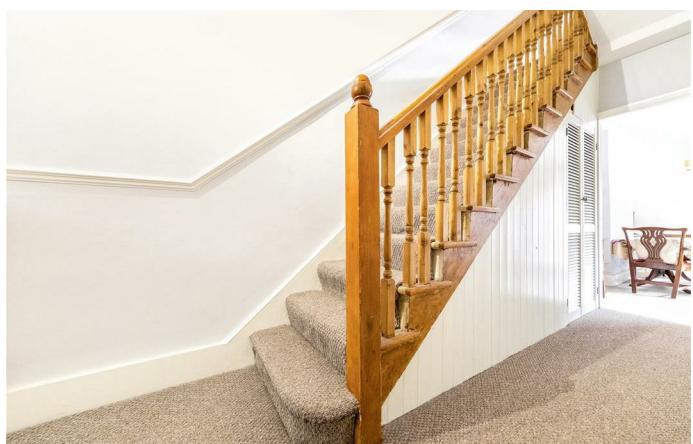

The ground floor comprises a dual-aspect reception at the front, benefitting from a large bay window and rear French doors that allow the living space to flow seamlessly into the wide un-extended side-return and through to the garden. The hallway leads through to a further reception/dining room at the rear and onto a generous, modern kitchen. The layout of the house is flexible and it would be easy to repurpose certain spaces to suit the needs of the purchaser and subject to the necessary permissions it may be possible to combine the rear reception and kitchen, opening the space up to a larger open-plan area. The ground floor is perfect for entertaining and hosting guests, with an idyllic outside space in which to savour the warmer months of the year. The first floor provides two generous double bedrooms and a further bedroom at the rear. The two larger rooms are both complete with in-built storage and the larger spans the entire width of the house. The third room would be perfect as a home office, nursery or anything else the purchaser may require. A family bathroom nestled between the bedrooms completes this appealing property and there is substantial loft space that could be also converted to add value and increase the overall square footage (STPP).
