Property Details

A stunning, spacious and bright two bedroom flat - situated a stones through away from the scenic Clapham Common. This beautiful property is located in a lovely building on one of South London's most fought over roads, lovingly refurbished and converted with care and intelligence to create a great layout with two large double bedrooms, a lovely modern bathroom and a very generous living space large enough to clearly delineate a living area with sofas and a separate dining area with space to spare. The kitchen is modern, stylish and functional. Please note that due to planning permission the flat roof to the rear is not a usable space for tenants. The property is a five minute walk from Clapham Common tube station, the park, high street and all the bars and restaurants.
