Property Details

A spacious two double bedroom, two bathroom apartment measuring up at nearly 800 square feet. This bright and airy split-level flat is a rare find: a modern house split into two, yet with a characterful exterior with characterful elements internally including double-glazed sash windows and wooden flooring. The heart of the home is the light L-shaped reception with a modern inset kitchen which can be separated off by closing the double doors when a more cosy setting is desired. Adjacent is a comfortable double bedroom with a convenient en-suite bathroom. The main second bathroom is bright and fresh with a bathtub plus overhead shower. A big selling point to this apartment is the split-level aspect with bedrooms on separate levels and two bathrooms, appealing to anyone looking to rent out a room or share with friends. Last but not least, the stairs lead to a wonderful loft style spacious double room tucked away quietly at the top of the building with multiple skylights creating a soothing ambience.
