

Albion Avenue, Clapham, SW8

2 bedroom flat - purpose built for sale

£450,000

Leasehold

Property Details

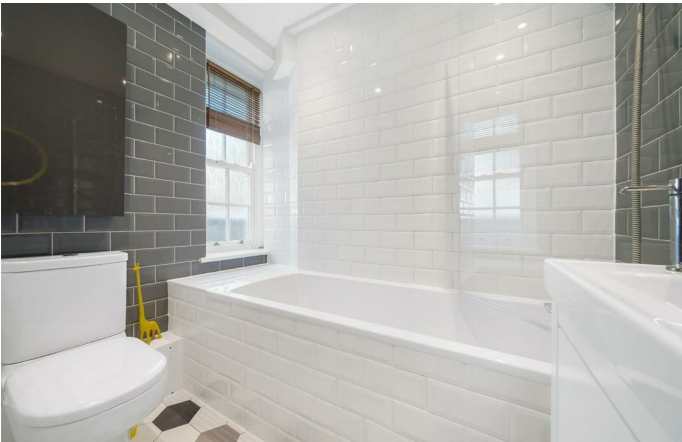

A spacious two double bedroom, split-level apartment within an attractive purpose built property, set back from the street. Lovingly cared for by the current vendors, this appealing home underwent refurbishment just two years ago. The reception room offers sizeable proportions, flooded with natural light from large pane windows and featuring characterful wooden flooring, the perfect hub in which to entertain or unwind, complete with a feature fireplace and handy storage cupboard to the rear. The separate kitchen was refurbished two years ago with contemporary white cabinetry complimented by wooden worktops. The units wrap around to create an ergonomic and practical space with ample storage and plentiful work surfaces. Upstairs, both bedrooms are doubles, the principal is particularly sizeable, nestled behind a large bay window with a cosy window seat. Still a double, the second bedroom is currently an attractive nursery, with leafy views and wooden flooring. Fully re-fitted six years ago including with a new boiler, the bathroom is styled to suit contemporary trends. Completing this fantastic home is further storage on both the upstairs landing and next to the private entrance in the downstairs hall.
