£699,950

2 bedroom flat - conversion for sale

Property Details

At the front of the property, the open plan kitchen/reception room is a bright and stylish space with ample room for dining, relaxing and entertaining. The space benefits from an abundance of natural light thanks to multiple floor-to-ceiling glass windows and doors that open out to the courtyard. This direct outside space has access from both bedrooms as well as the reception, meaning a light and breezy atmosphere can flow through the flat. The shaker-style kitchen oozes charm whilst offering a high standard of practicality, with plenty of storage and top of the range appliances, finished with a desirable island; perfect for a casual breakfast or entertaining. The bedrooms are located at opposite ends of the property, almost identical in size, with plenty of light and floor-to-ceiling glass doors opening to the outside. One with an en-suite bathroom and the other neighbouring a family sized bathroom, the layout of this property could not be more ideal for a buy-to-let or anyone looking to share with a sibling or friend. The entire flat has been finished to a high and tasteful standard, the bathrooms are no exception to this.
