Imposing Three-Four Bedroom Detached Family Home – Highly Favoured West Side of Coulston

Occupying an elevated position on the highly sought-after West side of Coulston, this beautiful and imposing detached family home presents a wonderful opportunity to acquire a much-loved property with tremendous potential. Cherished by the same family for over 50 years, the house has been thoughtfully extended over time to accommodate a growing family, creating a spacious home ready for its next chapter.

Whilst offering an abundance of charm, established family appeal and scope for further enhancement, the property would now benefit from some continued modernisation and decorative improvements, allowing a new owner to put their own stamp on a home with so much to offer. Complemented by a generous rear garden, driveway parking and a garage, this is an exciting prospect for those looking to take the next step up the property ladder and create a wonderful long-term family home.

The location is equally appealing, with well-regarded local schools, convenient transport links and the vibrant amenities of Coulston Town all close at hand. The bustling high street offers an appealing mix of independent shops, cafés and restaurants, providing a welcoming village-style atmosphere alongside everyday convenience.

A rare opportunity to secure a substantial detached family home in a prime residential location, with space, potential and the opportunity to create something truly special. Early viewing is strongly recommended.
