Guide Price £350,000

Located close to the town centre and occupying a plot measuring approximately 54 ft wide by 125 ft deep, this spacious three / four-bedroom detached house represents an unfinished project offering excellent potential.

The property currently provides a lounge to the front, with a study just off, leading through to a dining room and kitchen. To the rear is a large lounge extension that requires finishing, offering the opportunity to create a substantial family living space. To the first floor are three bedrooms, a large modern shower room, and a separate WC.

The size of the plot and existing layout may also lend itself to development potential, subject to the usual planning consents, making this an appealing opportunity for those seeking a large home with scope to add value, or a project with longer-term possibilities.

All interested parties should satisfy themselves as to the accuracy of the site measurements.

Offers will be considered on Friday, 21st February.
