Kings Group are delighted to present this CHAIN FREE, THREE BEDROOM LINK DETACHED HOUSE, located in the sought after Thomas Rochford Estate.

Approaching the property, a driveway to the front provides off-street parking for up to two cars. Stepping inside, you are welcomed by a central entrance hallway which provides access to the main ground-floor accommodation.

To the right is the converted garage, which has created a fantastic additional reception room. This versatile space could comfortably be used as a second living room, home office, playroom or even an additional bedroom. Positioned behind this room is a convenient downstairs shower room, adding further practicality to the ground floor. To the left of the hallway is the spacious open-plan living and dining room, providing an excellent area for both relaxing and entertaining. Towards the left of this space is the generously sized kitchen, offering plenty of room for everyday family living.

Spanning the rear of the property is the conservatory, which can be accessed from either the living/dining room or the kitchen. This creates a great connection between the main living areas and the outside space, with the conservatory opening directly onto the rear garden. Heading upstairs, the first floor offers three well-proportioned bedrooms. Two are comfortable double bedrooms, while the third is a larger-than-average single room, making it ideal as a child's bedroom. Completing the first floor is the family bathroom.

Externally, the property benefits from a private rear garden with useful side access, while the driveway to the front provides parking for two vehicles.

Another key attraction of the property is the potential it offers for further extension and development, subject to the necessary planning permissions (STPP). With its versatile ground-floor layout, three good-sized bedrooms and scope to further enhance the accommodation, this would make an excellent home for a growing family.
