KINGS are pleased to present this DOUBE FRONTED Five Bedroom End Of Terrace House occupying a SUBSTANTIAL CORNER PLOT in the ever-popular Blakesware Gardens near BUSH HILL PARK. This impressive 1930's style family home has been thoughtfully EXTENDED, offering 1,594 SQUARE FEET of versatile accommodation with FURTHER DEVELOPMENT POTENTIAL.

Boasting four generous double bedrooms and a good sized single room, this well maintained family home features a 28FT THROUGH LOUNGE, an additional separate reception room, and a large fitted kitchen, all complemented by a bright entrance porch and spacious hallway. A GROUND FLOOR WC and first floor bathroom adds practicality to the layout.

Externally, the property continues to impress with OFF STREET PARKING to the front, a secluded SOUTHWEST FACING REAR GARDEN enclosed by mature trees, and additional LAND TO THE SIDE, presenting excellent scope for further extension or development (stp). Additional benefits include gas central heating and double glazing throughout.

Set in a prominent position on a sought after residential turning, in one of N9's most desirable residential pockets west of the A10 Great Cambridge Road, the property is ideally located close to Bush Hill Park Station, local shops, parks, and well-regarded schools including both Winchmore and Latymer Schools. Excellent transport links include direct rail access into central London and easy road connections via the A10 and North Circular (A406). Green spaces such as Bush Hill Gardens and Bury Lodge Gardens are also nearby.
