KINGS are pleased to present this THREE BEDROOM TERRACED HOUSE situated within a popular residential turning in Upper Edmonton on the BORDERS OF PALMERS GREEN N13. This 1930's style family home features a 23FT THROUGH LOUNGE providing both living and dining areas, a separate fitted kitchen, and a FIRST FLOOR BATHROOM with separate WC.

Outside, there is a 32ft rear garden overlooking allotments and greenery to the rear. There are also the comforts of gas central heating and double glazing. In our opinion, this property would make an ideal first time purchase or family home offering EXCELLENT POTENTIAL to modernise and personalise as well as scope to extend and add off street parking (stp).

The property is conveniently located within easy reach of the A10 and A406 North Circular roads, providing excellent transport links across London and beyond. Palmers Green National Rail and Silver Street London Overground stations are close by, making this an ideal location for commuters. The property also benefits from being close to local shops, amenities, popular schools and North Middlesex Hospital.
