Inside, there are TWO RECEPTION ROOMS overlooking the garden, a separate kitchen accessed via both the dining room and hallway, and a large store room located behind the garage through the side passage. A DOWNSTAIRS WC adds convenience, while the bathroom on the first floor adds to the home's functionality. Outside, the wide and GENEROUSLY SIZED REAR GARDEN offers plenty of outdoor space to enjoy.

We feel this would be perfect for families or investors looking for a well-appointed home with excellent expansion opportunities.
