If a spacious family home is what you're after, this one truly ticks all the boxes!

Kings Group are excited to bring to market this fantastic THREE BEDROOM DETACHED FAMILY HOME in Belfield Gardens, right in the heart of the ever-popular Church Langley development; and best of all, it's offered chain free, making your move that much easier. With great space, brilliant flow and parking that's hard to find, this is a home that really works for family life.

Walk through the front door and you immediately get a sense of space. The welcoming entrance hall leads into a generous family lounge and a separate dining room, perfect for everyday living and hosting friends. The dining room has doors that open into a bright conservatory that genuinely feels like another reception room, not just an add-on. With underfloor heating and views out to the garden, it's a spot you'll use all year round. The kitchen is well laid out with plenty of wall and base units and also links straight through to the conservatory, creating a lovely open, sociable feel. The garage has been partially converted: one section now serves as a practical utility room, fitted with a range of wall and base units, while the remaining half is retained as useful storage space. There's also a convenient downstairs cloakroom that completes the downstairs layout.

Upstairs, the master bedroom offers built-in wardrobes and its own en-suite shower room, while two further well-proportioned bedrooms provide excellent space for children, guests or working from home. A three-piece suite family bathroom serves the rest of the floor.

Outside, the rear garden is private and low maintenance, mainly laid to astro turf with a patio area for seating and convenient side access. The driveway comfortably fits two to three cars; something buyers always appreciate here.

With local shops, schools and amenities close by, plus easy access to the M11 and M25 providing direct access to London, Stansted and Cambridge.
