Period charm with the space to match, this mid terrace family house is a home of generous proportions although in need of a refurbishment, it is defined by its original character features, ideal location close to amenities, town centre and train station. There is a good size living area that leads onto the kitchen, lobby, bathroom and a lean-to. There is a double cellar which are both great sizes. To the first floor there are three double bedrooms.

Externally the rear garden has a paved area with a large lawn. Gas central heating. Council Tax Band B. Please note that Grant of Probate is awaited and this needs to be back before completion can take place.
