Offers Over £250,000

AVAILABLE FOR VIEWINGS. Horsted Park on the outskirts of Chatham is a relatively new, pleasing to the eye development built in 2018, with great transport links via the M2/M20 and great access to the retail park nearby. MMS are offering for sale this stylish 2 bedroom first floor apartment with neutral decor and modern finishings that you could just move straight in. There are 245 years left remaining on the lease. The wide entrance hall goes the length of the apartment and from the outset gives you a feeling of space. There are 2 bedrooms to the rear, a family bathroom plus the master bedroom has an en-suite shower. The open plan lounge/diner and modern kitchen is a lovely light area and would definitely be the hub of the home. There is an allocated parking space underneath and a secure bin store and store area (pushbikes can be stored here). Being built in 2018 there is a remaining new build warranty of approximately 6 years left. In the hallway there is a larger than normal walk in cupboard/utility, the current sellers have put a partition wall in the 2nd bedroom to make this utility area but are willing to remove this and lay new carpet so bedroom 2 would once again be a double bedroom. This would make an ideal first purchase and internal viewings are advised.
