Nestled in the peaceful South Lincolnshire village of Deeping St. Nicholas, this modern and spacious detached family home offers a wonderful blend of comfort, versatility, and convenient location, with easy access to both Peterborough and Spalding, making it an ideal choice for commuters and families alike. Positioned on the popular Hay Barn Road, the property has been lovingly maintained by the current owners for almost twenty years and is now presented to the market in a move-in ready condition, offering a fantastic opportunity for its next chapter. Arriving at the property, you're welcomed by ample off-road parking to the front, complemented by a neat, low-maintenance front garden enclosed behind a charming wrought iron picket fence, setting an attractive tone before you even step through the door. Stepping inside, the entrance hall provides a practical and welcoming start to the home, with a staircase rising to the first floor and doors leading off to the principal ground floor rooms. To one side, the well-proportioned kitchen offers plenty of space for cooking and everyday family life, flowing conveniently through to the separate dining room, perfect for entertaining or relaxed family meals. A handy utility room and integral garage sit just off the kitchen area, providing excellent additional storage and practical space for laundry and everyday essentials, while a downstairs WC adds further convenience for busy households and visiting guests alike. The heart of the home is undoubtedly the generous living room, which has been thoughtfully opened up by the current owners, who removed a dividing wall to create a wonderfully spacious and sociable living area; notably, this space could easily be reinstated to recreate a fourth bedroom on the ground floor, adding excellent flexibility for those needing single-storey accommodation or additional guest space. This adaptability underlines the versatile nature of the property, which was originally constructed as a four-bedroom home complete with a ground floor bedroom and bathroom, offering huge potential for multi-generational living or a range of alternative layouts to suit modern family needs. Heading upstairs, the landing gives access to three further well-appointed bedrooms, including a generous master bedroom benefitting from its own private en-suite shower room, ideal for those seeking a little extra privacy and comfort. Bedrooms two and three are both well-sized and versatile, perfect as children's rooms, guest bedrooms, or home offices, and are served by a stylish family bathroom completing the first floor accommodation. Outside, the rear garden offers a private and low-maintenance retreat, ideal for relaxing or entertaining without the burden of high upkeep, giving buyers more time to enjoy their outdoor space rather than maintain it. Adding further peace of mind, the property benefits from a replacement gas central heating boiler, fitted approximately four years ago, ensuring efficient and reliable heating for years to come. Altogether, this delightful detached home combines flexible living accommodation, thoughtful modern updates, and a peaceful village setting, making it a truly compelling option for a wide range of buyers seeking both comfort and convenience.
