Radcliffe & Rust Letting Agents Cambridge are delighted to offer, for sale, this fantastic three bedroom apartment in Redwood Lodge, CB3. Located on the first floor, the apartment is spacious with a private balcony, three double bedrooms and a large en-suite to the master bedroom. The apartment is within the Redwood Lodge complex which is on Grange Road. Surrounded by trees and communal gardens, the private complex gives the impression that you are in the middle of the countryside but you're within walking distance of all of Cambridge's fantastic history and amenities in the centre of the city.

Upon entering the property, you are welcomed in to the hallway. The apartment has been cleverly designed to maximise storage and this is highlighted in the hallway where there are three large storage cupboards with double doors as well as a bank of display shelves with cupboards underneath by the front door. The first room you come to on the right hand side is the main bathroom. Positioned next to the front door, within the bathroom there is a bath with glass screen and overhead shower head, W.C. and hand basin with cupboard storage underneath. The large built-in mirrors bounce light around the room and there is also a mirrored storage cupboard on one wall.

The three double bedrooms are all positioned within the centre of the apartment's floorplan. The first bedroom you come to on the left hand side is bedroom three. Along one wall in bedroom three there are built-in cupboards with display shelves above and the room could fit a double bed if required. Opposite bedroom three is bedroom one. A good sized double, this bedroom has two built-in wardrobes both with double doors and the mirrors on two of the doors reflect views of the trees from the window opposite. Bedroom one also enjoys a vast en-suite which has a large corner bath, standalone shower cubicle, bidet, W.C. and hand basin with cupboard storage underneath. Bedroom two is opposite bedroom one and has a single built-in wardrobe with double doors. Bedroom two offers pleasant

treetop views of the communal gardens.

At the end of the hallway is the living and dining room which leads to the kitchen and private balcony. The open plan living and dining room has feature brass wall lights and could comfortably fit a dining table, sofa and additional furniture. This space also has the same display shelves and cupboards as bedroom three and the hallway creating continuity throughout the spaces. In the back right hand corner of the room there is a large glass sliding door which leads to the apartment's private balcony. The balcony is large enough for a bistro style table and chairs. Next to the living / dining room is the kitchen. The kitchen has cream wall and base units with wooden edges and within the kitchen there is an oven with separate grill above, stainless steel sink and drainer, washing machine, dishwasher, wine rack and under counter fridge / freezer.
