The continuation of the wood-effect flooring enhances the sense of space, while the neutral décor provides a blank canvas. This room also benefits from an en-suite comprising a W.C., hand basin and walk-in shower with glass door, finished with cream-toned tiling for a clean and contemporary look.

At the end of the hallway is bedroom four, another well-proportioned double room with the same flooring running throughout and a large window overlooking the rear of the property, allowing for a bright and comfortable space. Adjacent, stairs lead down to the lower ground floor where the heart of the home can be found.

The lower level opens into a spacious and modern open plan kitchen, living and dining area. Recently updated, the kitchen is fitted with sleek grey gloss wall and base units complemented by a darker grey worktop, creating a stylish contrast. Integrated appliances include a gas hob and fitted units, alongside space for a freestanding washer/dryer. A breakfast bar provides additional seating, making this an ideal space for both everyday living and entertaining. The wood-effect flooring continues throughout, enhancing the open plan layout. This area is flooded with natural light thanks to a combination of a glazed door leading to the rear garden, double doors from the living space and additional windows, creating a bright and inviting environment. The living area offers ample space for a sofa and media setup, perfect for relaxing.

Also on this level is a convenient W.C. fitted with grey wall tiles, a hand basin, W.C. and a heated towel rail. There is also excellent storage available beneath the stairs in built-in cupboards.
