Radcliffe & Rust Estate Agents Cambridge are delighted to offer for sale this two bedroom apartment in Orchard Park, Cambridge. Located on the second floor, this apartment offers flexible living combined with the modern amenities one would like in a property. Upon entering the apartment, you will find a light and welcoming hallway. With two large windows, this space is flooded with natural daylight and the dark wooden flooring is not only practical but it creates a great contrast against the clean white walls and doors. Within the hallway there are two storage cupboards which are extremely useful for coat and shoe storage as well as household items such as hoovers and cleaning products. The first door you come to in the hallway is the open plan kitchen, dining and living room. This fantastic room offers a real sociable, relaxing and entertaining space. The kitchen is at the back of this room and thanks to the different flooring in this area, it creates a separate zone to the rest of the room. The kitchen consists of modern white units with a dark wood style laminate worktop which matches the floors perfectly. The kitchen walls are adorned with small brick metro style tiles in greys and copper and there is an integrated fridge and freezer, cooker hood, built in oven, stainless steel sink and drainer, dishwasher and the kitchen also houses the combi boiler. In the rest of the room there is space for a dining table and chairs, sofa and additional furniture if required.

Both of the bedrooms are good sized doubles and both rooms also benefit from built in wardrobes with sliding doors. The bathroom has a bath with overhead shower, W.C, hand basin and marble style floor to ceiling tiles on two walls.

Externally there is a private balcony area which is directly accessible from the living room and is large enough for a table and chairs and is the perfect space to relax with a glass of Vino after a busy day.

In summary, if you are looking for a move-in ready, good sized property in a fantastic location this is the property for you.
