Radcliffe & Rust Letting Agents are pleased to offer to let this three-bedroom home, positioned within the popular village of Histon. Offered on an unfurnished basis, the property has been newly decorated throughout and benefits from new carpets to the stairs, landing and all three bedrooms, providing a fresh and neutral finish ready for its next occupants.

Entering the property, you arrive directly into the living/dining room, a bright and versatile space finished with light neutral walls and warm wood-effect flooring. A large window provides plenty of natural light, while the proportions of the room allow for clearly defined areas for both relaxing and dining. Wall-mounted shelving provides useful display space, while beneath the stairs is a particularly generous storage cupboard, offering an excellent amount of practical space for household items, coats, shoes and everyday essentials while keeping the main living area clutter-free.

Positioned just off the living/dining room is the kitchen, which is fitted with a range of white gloss wall and base units complemented by pale green work surfaces and tiled splashbacks. Appliances include an electric oven with gas hob and extractor above, with the oven and hob having been professionally cleaned in preparation for the new tenancy. A freestanding fridge/freezer, dishwasher and washing machine are also provided with the property. The stainless-steel sink and drainer are positioned beneath the window, bringing plenty of natural light into the workspace, while the peninsula-style worktop provides additional preparation space.

Stairs rise from the living/dining room to the first-floor landing, with the staircase and landing both benefiting from newly fitted carpet. The landing provides access to all three bedrooms and the family bathroom and also benefits from a very handy built-in storage cupboard, providing further useful storage away from the main living accommodation. Additional wall-mounted shelving is positioned around the stairwell.

Bedroom one is a good-sized double room, newly decorated in neutral tones and finished with newly fitted carpet underfoot. A large window provides plenty of natural light, while a selection of wall-mounted floating shelves offers useful additional storage or display space.

Bedroom two is another well-proportioned double bedroom, again benefiting from fresh neutral decoration and newly fitted carpet. A window provides plenty of

natural light, with the room offering ample space for the usual bedroom furniture.

Bedroom three is a narrower and particularly versatile room, ideally suited for use as a nursery or dedicated home office. Newly decorated and finished with new carpet, the room also benefits from its own window providing natural light.

The family bathroom comprises a white three-piece suite including a pedestal wash basin, WC and panelled bath with shower over and glazed shower screen. Grey tiling surrounds the bath and shower area, complemented by blue painted walls, while a frosted window provides natural light whilst maintaining privacy. Grey wood-effect flooring completes the room.

Outside, the property benefits from a low-maintenance gravelled area immediately outside the home, bordered by established planting and providing space for a small table and chairs – ideal for sitting outside during the warmer months.

The property also benefits from one allocated parking space, positioned within the communal parking area conveniently located close to the property.

Overall, this is a freshly decorated and well-positioned three-bedroom home offering versatile accommodation, excellent storage and allocated parking within the sought-after village of Histon. Offered unfurnished and ready for its next occupants to make their home, prospective tenants are encouraged to call or email Radcliffe & Rust to arrange a viewing.
