The driveway has been block paved to allow for off road parking with a paved pathway leading to the front door and a side gate leading to the rear of the property. Once inside, there is a hallway with stairs leading to the first floor. The flooring in the hallway is a grey wood coloured LVT and the walls have been decorated in a neutral colour throughout making it the perfect fresh blank canvas. The first room you come to on the right hand side is bedroom four. This fantastic sized space has b-fold doors leading to the communal gardens and a glazed door leading to the side of the property. The kitchen area is partitioned off from the living space with a half height wall and could comfortably fit a dining table for at least six people. Within the kitchen there are dark blue shaker style wall and base units with an integrated fridge and freezer, dishwasher, Bosch washer dryer, electric oven and induction hob. The living end of the room is a great size and is large enough for an L shaped sofa or lounging furniture as required.

On the first floor, there are two double bedrooms, both with en-suites. The first room you come to on the landing is bedroom two. Overlooking the rear of the property, bedroom two has a large built-in wardrobe with double doors whilst the en-suite has a large walk-in shower, W.C., wall mounted floating hand basin with under cupboard storage, stainless steel coloured heated towel rail, light up vanity

mirror and grey and white marble style wall tiles. Next to bedroom two is bedroom three. Bedroom three's en-suite is the same as the others with a walk-in shower cubicle with glass sliding door, W.C., wall mounted floating hand basin with under cupboard storage, stainless steel coloured heated towel rail, light up vanity mirror and grey and white marble style wall tiles.

On the second floor is bedroom one. Positioned in the eaves of the property, bedroom one is the largest of the bedrooms and has two sets of double wardrobes with sliding doors and ample space for a double bed and further furniture as required. The en-suite in bedroom one has a walk-in shower cubicle, W.C., wall mounted floating hand basin with under cupboard storage, stainless steel coloured heated towel rail, light up vanity mirror and grey and white marble style wall tiles.

To the rear of the property, there are low maintenance communal gardens which are shared with the next door property. With a paved patio area and the garden laid to lawn, the garden is simple and low maintenance whilst still being very inviting.
