Silverman Black is delighted to offer this spacious three bedroom terraced house, nestled in a quiet cul-de-sac only about 10 minutes walk from Sutton High Street (c 0.3 miles). In need of some updating and modernisation, the property offers an enclosed storm porch and a good size hall, two well proportioned reception rooms and a separate kitchen on the ground floor, with three bedrooms (2 x double rooms; 1 x single bedroom) with a bathroom and separate WC on the first floor. Externally, the property has an enclosed front garden and a 60 ft rear garden - which enjoys a sunny southerly aspect and incorporates a good size timber shed. Other benefits include gas/radiator central heating and double glazed windows and doors - but the property will likely need new wiring, and new kitchen and bathroom suites and a programme of redecoration. The property is extendable both into the loft and to the rear - one project will likely be able to be undertaken under permitted development rules - with many neighbouring properties having already completed similar projects. In terms of local facilities, the property is centrally located, with Sutton Green (park) located almost immediately at the bottom of the road and the shops bars and restaurants of Sutton High Street being only 10 minutes walk away. In terms of public transport, Sutton Common railway station is only a 5 minute walk away - offering a Thameslink service from Sutton to St Albans via Wimbledon and London St Pancras - whilst Sutton Mainline BR station is only two stops away (c. 1 mile walking). A number of bus routes operate from Sutton Green, giving access to Croydon, Tooting and Morden. A number of excellent local schools are close at hand including Glenthorne High School (0.6 miles) and Greenshaw High School (0.7 miles) - both about 15 minutes walk away - whilst living within the Borough affords access to educational facilities that are rated amongst the best in London.
