Open Day - Saturday 29th August. Silverman Black is delighted to offer this charming and characterful detached house located on the ever popular Poet's Estate, with no onward chain. The ground floor accommodation comprises of a welcoming entrance hall, a dual aspect living room with French doors to the rear garden, a good sized and separate dining room, a large extended kitchen, with space for a set of table and chairs, whilst upstairs there are two double bedrooms, a generous single bedroom, the family bathroom and separate WC. While already extended the property still has potential to extend further across the rear and/or via a garage conversion (STPP). Externally, there is a "carriage" driveway to the front of the house affording off street parking for 3 vehicles and a single attached garage to the side - but the rear garden is a particular delight - a mature and well-maintained area extending over 80 ft and enjoying a sunny south facing aspect - perfect for entertaining, family BBQs or just enjoying a quiet "al-fresco" dinner - with a patio and large lawn, rear access to the full length garage and a semi buried Anderson Air Raid shelter! The house is ideally located only 7 minutes walk from Carshalton BR station (0.3 miles) and less than 5 minutes walk from both St Philomena's Girls School and St Mary's RC Junior school whilst The Grove, The Ponds, All Saints Church and the Village Center are all just over 0.5 miles distant (c. 10 minutes walk). Viewing is very strongly recommended - so please call today to book your appointment.
