24 Devana End

Carshalton, SM5 2NL

£299,500

Looking for a project? Something needing substantial refurbishment for under £300,000? If so, this substantial THREE bedroom top floor unit in the ever-popular Devana End development might well suit! Offered in largely original condition, the property needs a full spectrum of refurbishment including rewiring, new kitchen & bathroom suites, new flooring and a full programme of redecoration. The property also needs central heating installed - but several other flats in the block appear to have gas boilers, so there is gas in the building which should facilitate a new system being fitted. On the positive side, the property offers good size and well proportioned living accommodation, a good length lease (999 years from 1981), peppercorn ground rent, a large secure ground floor storage/bike locker and a garage located en bloc a few yards from the front door. A well respected private development, the gardens which surround the blocks are always immaculate. Carshalton BR station and Hackbridge BR stations are both roughly equidistant (0.7 miles) - just over 15 minutes walk away.
