

48 Mill Lane

Carshalton, SM5 2JY

Offers Over £750,000

Silverman Black is delighted to offer this outstanding family home located right in the heart of Carshalton Village - roughly eight minutes walk from Carshalton BR station and the Village centre. Substantially extended to the side, the original ground floor accommodation has been nearly doubled in size and offers both flexibility to the growing family and that elusive "Wow Factor"! The original living area is now a large lounge, whilst the extension - which is presented in a chic "barn" style (with skylight windows and exposed roof timbers) - completely redesigns the kitchen facilities, whilst also providing a sizable dedicated dining area and a generous additional office/den/TV area with bi-fold doors opening into the rear terrace and garden! Upstairs on the two upper floors, there are four genuine double bedrooms, an en-suite shower room with the main bedroom and a fully equipped family bathroom. Other benefits include a ground floor cloakroom, underfloor heating on the ground floor with gas/radiator heating upstairs and full double glazing. Externally, the property affords a small formal garden and an off street parking space at the front, whilst the rear garden extends around 45 ft x 25 ft and allows gated access to the single garage which is located directly behind. In terms of facilities, Carshalton BR station is 0.3 miles distant and affords regular fast trains to Clapham Junction, London Victoria and The City in around 30 minutes. The Village centre is a similar distance away - a short stroll across The Grove, which is reputed to be the finest remaining example of a Victorian urban park in London. The recently refurbished Westcroft Leisure Centre is also close at hand, whilst the property is ideally located for a plethora of fantastic schools - Sutton being regarded as one of the best Boroughs in London for State, Private, Grammar and Independent Schools. Viewing of this exceptional property is highly recommended - so book your appointment to visit today!
