Dorchester town is rich in Roman heritage, with sites such as the Dorset County Museum and Maiden Castle offering glimpses into its past. It is also well known for its literary connections to Thomas Hardy and being set amongst picturesque rural countryside. Dorchester offers shopping and social facilities with cinemas, museums, leisure centre and weekly market. There are many excellent restaurants, public houses and riverside walks. Doctor's, dentist's surgeries and the Dorset County Hospital are close by. Brewery Square is set within the heart of Dorchester and is a vibrant area offering further shopping and eating facilities with a central open space hosting several events throughout the year. There are train links to London Waterloo, Bristol Temple Meads, Weymouth and other coastal towns and villages, and there are regular bus routes to adjoining towns. The stunning surrounding countryside, and majestic Jurassic Coast, just a short drive away, make it a perfect balance of town and rural living.

The property is entered via a part-glazed front door into a welcoming lounge, where character and charm immediately set the tone of the home. The room features a front-facing window and a characterful open fireplace with a multi-fuel burner, an attractive stone hearth, and an exposed beam. From here, stairs rise to the first floor and descend to the basement, while an inner hallway provides access to the remainder of the ground floor. The kitchen/dining room enjoys a dual aspect to the rear and side and offers a range of fitted wall and base units with ample worktop space, incorporating a stainless-steel sink with mixer taps, an integrated Bosch double electric oven, a Bosch electric ceramic hob with extractor hood over, and a cupboard housing the boiler. There is space for appliances and a family dining table, with a door opening onto the garden. The ground floor is completed by a modern shower room fitted with a white suite, including a shower cubicle, a wash basin with fitted vanity storage beneath, and a WC. The basement level provides a versatile additional room, ideal as a snug or study. The charm continues to the first floor, where the landing leads to two double bedrooms one overlooking the front and the other to the rear. Both rooms are neutrally decorated and feature attractive wooden doors and flooring.

Externally, the impressive enclosed rear garden is mainly laid to lawn with mature trees and shrubs, creating colour and texture. This is complemented by a decked seating area, offering the perfect spot for outdoor furniture to enjoy the southerly sun. A garden shed provides useful storage, along with a brick-built outbuilding currently used for additional storage and as a log store.
