Externally, the property boasts a westerly facing rear garden that is fully enclosed, gated parking and a single garage. EPC rating B.

Poundbury is an urban development of the County Town of Dorchester and is King Charles III's vision of the development of new communities in the 21st century. It is designed to be a sustainable development where it is possible to meet a higher proportion of daily needs on foot, rather than relying upon a car. Within walking distance to the property there is a plethora of amenities including Waitrose, The Duchess of Cornwall Hotel and Restaurant and an ever-growing range of bistros, coffee shops, beauty salons, shops, hairdressers, dentists, medical centre, nearby garden centre and the highly regarded Damers First School. The Great Field is a short walk away and offers a wonderful open space. A Monart luxury spa is situated within the Royal Pavilion, Queen Mother Square and the Dorset County Hospital is also nearby.

A small set of steps lead to the entrance of the property and a single door opens into the hallway. Karndean wood-effect flooring flows throughout and access is granted to the majority of ground floor rooms, including the WC.

The kitchen has been tastefully fitted with a range of neutral wall and base level units with quartz worksurfaces over and upstands. Integral appliances comprise an eye-level double oven and grill, five-ring induction hob, fridge-freezer and dishwasher. A central island creates breakfast bar seating and there is space for a dining table and chairs if desired. French doors open outwards onto the garden. A utility room provides further storage, space for appliances, an additional sink and drainer and another access point to the garden. A large separate dining room, offering space for both living and dining furniture and receiving plentiful natural light via two front aspect windows completes the ground floor.

On the first floor, is the living room, study and principal bedroom. The living room is spacious in size and enjoys an elevated and uninterrupted outlook over the green space to the front of the property. The study is a flexible and versatile space, ideal for home working and the principal bedroom is accompanied by two double fitted wardrobes and a stylish en-suite shower room.

The top floor houses the remaining three bedrooms, all of which are double in size – whilst bedroom two additionally benefits from an en-suite. Serving the other two bedrooms, is the family bathroom, furnished with a modern suite comprising a panel enclosed bath, shower cubicle, WC and wash hand basin with vanity storage below. The room is finished with tiled flooring and part-tiled walls.

Outside:

The west-facing rear garden, designed by Sarah Talbot Garden Designs, is a true highlight of the property. Thoughtfully landscaped to create a peaceful and inviting outdoor space, it features seating areas, patio and shingle, bordered by mature plants and shrubs. The gated parking leads to a single garage, equipped with power, lighting, and an up-and-over door. The front of the property overlooks the attractive Pavilion Green.
