There are a comprehensive range of modern wall and base level units that provide ample storage options with work surfaces over. A part glazed door provides direct access to the garden.

Situated on the first floor of the property is an open landing housing a useful storage cupboard. There are two good size double bedrooms both gaining natural light via a dual aspect. The family bathroom is well appointed with partially tiled walls, built-in unit housing the wash basin and storage, low level wc and panel enclosed bath with shower over.

Externally there is an attractive west facing, enclosed garden mainly laid to lawn with an area of patio abutting the property providing an ideal space for alfresco dining. Access can be gained from side and rear gates. The property also benefits from two allocated parking spaces.
