Poundbury is an urban development of the County Town of Dorchester and is King Charles III vision of the development of new communities in the 21st century. It is designed to be a sustainable development where it is possible to meet a higher proportion of daily needs on foot, rather than relying upon a car. Within walking distance to the property there is a plethora of amenities including Waitrose, The Duchess of Cornwall Hotel and Restaurant and an ever-growing range of bistros, coffee shops, beauty salons, shops, hairdressers, dentists, medical centre, garden centre and the highly regarded Damers First School. The Great Field is a short walk away and offers a wonderful open space. A Monart luxury spa is situated within the Royal Pavilion, Queen Mother Square and the Dorset County Hospital is also nearby.

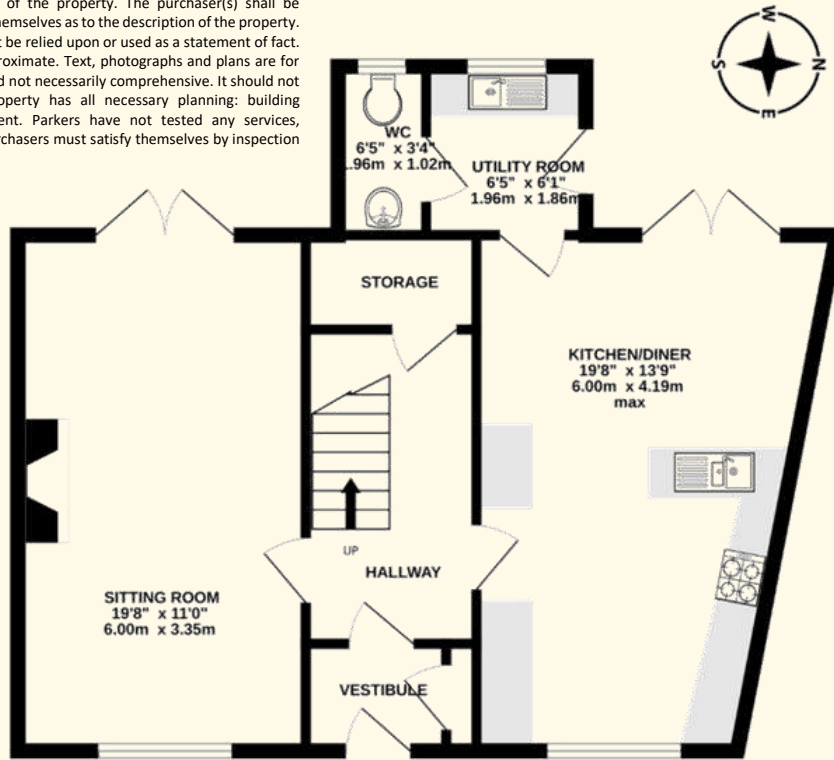

Upon entering this impressive property, a wooden door with decorative glazing above opens into a tiled vestibule, setting the tone with attractive tiled flooring and cupboard. A further door leads into the welcoming hallway, where Karndean flooring flows seamlessly throughout the ground floor. The hallway provides access to the principal rooms, an additional storage cupboard, and stairs rising to the first floor. The sitting room is a bright and inviting space, centred around an attractive gas fireplace with mantel and surround, combining modern style with a cosy focal point. French doors flood the room with natural light and open onto the rear garden. The ground floor continues into a contemporary, high-specification kitchen/diner, thoughtfully designed with a range of wall and base units, complemented by granite worktops and upstands. Integrated appliances include a Neff four-ring induction hob with extractor, along with Bosch oven and grill units. The space also features a 1½ sink and drainer, dishwasher, and fridge-freezer. An extended L-shaped worktop creates a practical breakfast bar, ideal for casual dining. To the rear, a dedicated utility room with matching granite work surfaces provides space for a washing machine and offers access to both the garden and a convenient downstairs WC. Porcelain tile flooring continues through this area, enhancing the home's modern finish.

Upstairs, the contemporary style continues. The landing leads to three well-proportioned bedrooms and a modern family bathroom, fitted with a bath and shower, and finished with tiled flooring. The principal bedroom is a generous double with a large built-in wardrobe and a private en-suite shower room. The second bedroom is a comfortable double positioned at the front, while the third is ideal as a single bedroom or home office. An airing cupboard provides additional storage.

Externally, the property is equally appealing. The rear garden has been designed for ease of maintenance and relaxation, featuring a generous patio seating area, AstroTurf, and a characterful apple tree. Gated side and rear access leads to the single garage, which benefits from an electric up-and-over door, an electric vehicle charging point, and additional loft storage space.
