THE LAND

The bungalow is approx 250 metres down a private hardcored track leading off the council maintained road; there is no need for a 4x4 and the property is accessible by car. The land is in 1 convenient block around the homestead - please refer to the attached boundary plan.

OUTBUILDINGS

To the one side of the dwelling, there is a large (approx 5,846 sq ft) Atcost type building of steel framed and concrete block construction under pitched corrugated roof. This building comprises a large open plan central section, with LEAN-TOs either side. NB: The roof to a section of a separate LEAN TO has suffered storm damage but the concrete walls seem to be in good condition.

SERVICES

Mains electricity and water. Private drainage to a cesspit. Full upvc double glazing. Partial solid fuel central heating.

BOUNDARY PLAN

PLEASE NOTE THE BOUNDARY PLAN IS FOR IDENTIFICATION PURPOSES ONLY.

COUNCIL TAX

We understand the property is in Council Tax band D and that the Council Tax payable for the 2023 / 2024 financial year is £1,780 which equates to approximately £148.33 per month before discounts.

AGENTS NOTES

The ORIGINAL Planning Permission restricted occupancy of the dwelling to: "a) a person SOLELY OR MAINLY WORKING, OR LAST WORKING ON A RURAL ENTERPRISE IN THE LOCALITY, or a widow, widower or surviving civil partner of such a person, and to any resident dependants; or if it can be demonstrated that there are no such eligible occupiers b) a person or persons who would be eligible for consideration for affordable housing under the local authority's housing policies" But we understand this restriction was changed in November 2022 to a GENERAL agricultural occupancy restriction. A copy of the decision is available from any Evans Bros office on request.
