Glanbrennig, Tregaron, Ceredigion, SY25 6QS

Asking Price £895,000

A superb property offering diverse appeal with a substantial 7 bedroom, 6 bathroom four storey country house, most recently used as a successful Bed & Breakfast establishment together with proprietors accommodation and together with a superbly converted range of buildings providing a fit for purpose cafe/restaurant complex together with associated kitchens, butchery and treatment rooms, the whole set in approximately 17 acres of lovely river Teifi meadow land, on the outskirts of the popular upper Teifi valley market town of Tregaron.

This property is ideally located on the outskirts of Tregaron having been a successful Cafe/Restaurant and Bed & Breakfast enterprise, unfortunately now offered for sale due to the death of the previous owner.

LOCATION

The property is attractively located on the outskirts of the popular town of Tregaron overlooking the Breng river, in the foothills of the Cambrian mountains with attractive south facing views. Tregaron is a popular and active traditional market town on the western extent of the Cambrian mountains, offering a good range of everyday facilities including 3-16 schooling, doctors surgery, chemist, shops, cafes, restaurants, hotels etc. The area is popular with those having country pursuits at heart including bird watching, cycling and walking.

Tregaron is approximately 8 miles north of the market town of Lampeter with a wider range of facilities, approximately 16 miles from the larger town of Aberystwyth being the main county town with general hospital, radio station and a good range of retail facilities including Marks & Spencers, Next, Tesco etc.

DESCRIPTION

The property comprises a diversely appealing property, more recently used as a successful Bed & Breakfast together with cafe/restaurant facilities.

The house is a detached country styled house arranged over four storeys with five letting bedrooms together with proprietors accommodation, being a period property having the benefit of heating from the communal bio mass system which feeds the house and cafe complex and uPVC double glazing. The property offers period style accommodation that has been sympathetically improved to facilitate the bed & breakfast rooms and affords more particularly the following -

Storage cupboard, wash hand basin, shower cubicle, radiator

SPA FACILITY

28' x 15'8" (8.53m x 4.78m)

Was originally intended for Spa facility with a spa room not used by the current vendors having a large spa, sauna, shower and changing rooms

ADJ GARAGE/WKSHOP/STORE ROOM

18'5" x 9'3" (5.61m x 2.82m)

This houses the working and meters for the biomass system.

EXTERNALLY

The property has an attractive approach via a tree lined driveway which divides to approach the front section of the house, having tarmacaded parking area, sweeping lawns and further garden areas. A second access leads to the Riverside Cafe, again with hard standing parking areas, lovely front raised beds with herb garden and fish pond.

There is a further area of grounds with raised vegetable gardens, poly tunnel, exterior cold store/freezer room and further porta cabin designed to provide office accommodation.

RIVERSIDE CAFE EXTERNALLY:

To the rear of the cafe is a feature pond which is overlooked via the conservatory, being an attractive feature and path leading to established children's play area.

THE LANDS

The property is bordered by attractive lands which we are informed is approximately 14 acres of level river meadow, adjoining the river Brenig and an attractive feature to this country property.

HEATING

Heating is provided via Biomass heating system with a timber built building with necessary storage facilities for the wood pellets and the biomass boiler. This feeds both the house and commercial accommodation with we are informed approximately 10 years remaining on the RHA payments of approximately £10,000 per annum.

SERVICES

We are informed the property is connected to mains electricity. There is a large solar pv array panel with we are informed, feeding tariff. Mains water, private drainage to septic tanks. heating to both properties is via a Biomass wood pellet burner with associated RHI payments which we are informed has approximately 10 years remaining having an income of some £10,000 per annum.

DIRECTIONS

On entering Tregaron from Lampeter, the property can be found on the right hand side as identified by the agents for sale board.

EPC

An EPC is available for the Cafe/Restaurant building which has a rating of 'C'.

The main house is to be assessed and the rating to be confirmed.

RATEABLE VALUE:

Current rateable value (1 June 2023 to present) - £18,000 p.a.
