THE CARAVAN SITE

To the side of the property is a tarmacadamed roadway leading to an established caravan site although we understand

now utilised for residential purposes with the property owner being paid a monthly ground rent of £190 per unit plus electricity costs per unit for the 14 caravans on site. The caravans are quite old and dated and are quite closely positioned together, but appear to be centrally serviced from the main property.

The property has the benefit of Caravan site licence granted by Ceredigion County Council ref CS12/07 dated the 21st August 2007, This allows for a maximum of 20 caravans on site with a habitation period from the 1st March until the 9th January.

LAND

To the other side of the property is a further paddock/storage area being some 3.2 acres with a storage building/workshop to the rear, this has been utilised for general storage and keeping of old cars, rubble etc. The workshop we also understand is let at £40 per month

TENURE

The Tenure is Freehold subject to caravan occupational provisions. We understand that these pay £190.00 per month in ground rents together with payment of electricity charges at cost. Further details from the selling agents. The workshop we also understand is let out for £40 per month

SERVICES

Is assumed the property is connected to mains electricity, mains water, private drainage - Subject to confirmation
