

Bryngwyn Maestir Road, Lampeter, Ceredigion, SA48 7PA

Asking Price £485,000

This charming 8.5 acre smallholding offers a delightful blend of rural tranquillity and convenient access to the vibrant town of Lampeter, located just one mile away. The property boasts a well-presented four-bedroom, two-bathroom house, featuring the comfort of oil underfloor heating on the ground floor, ensuring a warm and inviting atmosphere throughout the year.

The interior of the home is complemented by a spacious reception room, an attractive kitchen dining room doubling up as a sun room providing ample space for relaxation and entertaining. The layout is thoughtfully designed to cater to both family living and with multi generational potential.

Surrounding the property, you will find level paddocks and an established orchard, perfect for those with a passion for gardening or keeping livestock. Currently fenced for alpacas, the land offers a unique opportunity for equestrian, agricultural pursuits or simply enjoying the beauty of nature.

The location is truly exceptional, offering stunning views over the Teifi Valley while maintaining close proximity to the amenities and services of Lampeter. This smallholding presents a rare opportunity to embrace a rural lifestyle without sacrificing convenience. Whether you are looking to create a peaceful retreat or a working smallholding, this property is sure to impress.

Location

The main attraction of this property is its attractive, tucked away location yet only being approximately 1mile from the market town of Lampeter in the mid reaches of the Teifi Valley. The property is tucked away along a short access track and enjoys far reaching views over the Teifi Valley and mountains beyond, certainly one for those looking for peace and seclusion, yet also seeking the convenience of being close to the amenities of the town.

Description

The property offers a comfortable refurbished dwelling house with the benefit of UPVC double glazing and attractive sun room to the front, oil fired central heating with underfloor heating to the ground floor with the benefit of fibre broadband to the property. This property would have the potential for multigenerational living or for family occupation and provides more particularly the following:
