Description

This classic period home has been sympathetically updated, adding some modern refinements complementing this very appealing property.

To the ground floor is a wide entrance hall that leads into an elegant reception room with a large bay window, and a feature fireplace, a spacious dining room with French doors out to the garden, and a smart, extended kitchen/breakfast room with a seating area overlooking the garden, plus a shower room/W.C.

Upstairs are two double bedrooms and a good size single bedroom and a bathroom.

The attractive rear garden is a particular feature and the perfect place for 'al-fresco' dining and relaxing, with two patio areas and mature trees and shrubs providing a lovely secluded area.

Very well presented, with a pleasing neutral décor, this spacious family home has the potential to extend further. Blending period and modern features, including high ceilings, attractive mouldings, and feature fireplaces, plus plenty of storage spaces.

Tennyson Avenue is ideally located to take advantage of all that Strawberry Hill and Twickenham have to offer, from the delightful Radnor Gardens on the river to the ambient restaurants and charming riverside pubs and walks. Situated within easy access to both Richmond and Kingston with comprehensive amenities. Commuter links are excellent with two stations nearby providing direct services to London Waterloo, frequent bus routes, and easy access to the M3/M25 motorways and Heathrow Airport. The local area is well served by schools, both private and state-run.

Properties of this size and quality are in demand and this one certainly comes highly recommended.
