Description

This semi-detached family home in a popular location with generous living spaces combines traditional and modern features in a very attractive way.

The ground floor has a wide hallway leading into an elegant living room overlooking the garden, a separate dining room, and a spacious kitchen/breakfast room plus a utility room with a shower and WC. The first floor provides four double bedrooms and a bathroom plus access to a large fully-floored loft.

The enclosed back garden has side and rear access and provides a perfect spot for relaxing or al-fresco dining. The landscaped design features a palm tree and abundant mature shrubs. A back gate leads to a detached garage with off-street parking linked to Cross Deep Gardens by a private lane which is part of the property.

The beautiful interior retains many original features including a double-height stained-glass window, wood panelling and parquet flooring. High ceilings and lots of natural light add to the appeal.

Ideally located to take advantage of all that Strawberry Hill and Twickenham have to offer from the delightful Radnor Gardens on the river to local restaurants and pubs. Situated within walking distance of a good range of shops and services. Easy access to both Richmond and Kingston with more comprehensive amenities. Commuter links are excellent with two stations providing direct services to London Waterloo, frequent buses, easy access to the M3 and M25 motorways and to Heathrow Airport. The area is well served by schools, both private and state-run.
