A simply stunning Victorian apartment with a fabulous private garden, situated on the ground floor of this attractive red brick semi-detached residence, in one of East Twickenham's finest roads. This exquisite two double bedroom home has been meticulously refurbished to provide light and spacious accommodation with a fantastic living/entertaining space. The apartment boasts incredible attention to detail and perfectly balances the convenience of modern living with the inherent charm of a period home.

There is a beautiful 'L shaped' formal living space, which creates a welcoming area with a contemporary stone fireplace and gas fire leading into a beautiful open-plan kitchen/dining room, plus a useful utility room with large window onto the side access. The floor to ceiling bi-fold doors provide access onto the peaceful landscaped, low maintenance, 'zen' garden making it the perfect space for entertaining.

There are two double bedrooms each boasting luxury en-suite bathrooms. The beautiful master bedroom has a large bay window to the front and a wall of luxury wardrobes.

The property further benefits from stained glass windows to the front and solid wood flooring throughout the living space.

It is rare to find a period apartment of such high calibre that is so tastefully refurbished, with such a warm and homely feel.
