## ACCOMMODATION

Entered via a side entrance, the home opens into a welcoming hallway. To the front, a versatile reception room provides flexibility as a dining area, home office, or occasional bedroom. The main living room is a cosy yet well-proportioned space, centred around a log burner set within an exposed brick chimney breast. Alcoves have been cleverly utilised, with space for a TV on one side and built-in shelving on the other, combining practicality with character. Large windows bring in natural light, balanced by wooden panelling that adds depth and texture.

The kitchen is both stylish and functional, featuring deep green lower cabinetry paired with polished wooden worktops. Neutral upper cupboards create contrast, while subtle gold accents add a refined touch. Integrated appliances are neatly incorporated, alongside a gas hob, maintaining a clean and practical layout.

The ground floor also benefits from a WC and a separate full bathroom, finished in a simple, neutral style.

Upstairs, the principal bedroom includes a period fireplace recess, adding charm and a sense of heritage. The second bedroom makes efficient use of the roofline, with under-eaves storage enhancing usability. Outside, the front garden is neatly presented, with a small lawn, hedging for privacy, and a paved and gravelled path leading to the entrance. The rear garden has been thoughtfully arranged to offer a mix of seating and green space, including a private walled, composite decking area, and an elevated lawn beyond.

On-street parking is available.

A well-presented home with character and considered styling, ideally suited to first-time buyers, downsizers, or investors seeking a comfortable property in a well-connected yet peaceful part of Leamington Spa.
