Summary

This is an opportunity to get involved at the early stages of the latest project by locally renowned Cullen Homes.

They have built some of the most sought after contemporary homes in the area in recent years and this project will be no different with a beautiful design and specification to match.

Each house extends to circa 4,400 square feet of luxury accommodation including four bedrooms, four bathrooms, open plan living space, a study and a spectacular top floor entertaining room with harbour views. The location is a stone's throw from the shores of Poole Harbour with the beaches of Sandbanks just beyond.

There would be the potential to work with Cullen Homes to personalise the home so this is an opportunity not to be missed! Potential for significant SDLT savings (buyers must take independent advice on SDLT) if purchased as a clear plot & built as a self build compared with buying a finished house as a second home.
