Summary

This traditional Branksome Park house offers a wealth of opportunities for anybody looking for a home in a spacious and green setting but with the added benefit of being near to one of the area's prettiest beaches at Branksome Chine.

The outstanding plot backs onto the Branksome Park Woods where there is a meandering pathway and stream leading to the coast, which is around half a mile distant. There is only a small number of homes backing onto the woods which are as convenient for the beach, so this a a rare opportunity. The current dwelling extends to around 2,500 square feet including an oversize integral garage. Upstairs there are four bedrooms and one bathroom.

Downstairs there is a choice of receptions including a sitting room, a large kitchen diner and a snug / study. The owners have also constructed a small pavilion / garden room which could be for suitable for a variety of purposes.

The decor is well presented but with such a magnificent plot potential owners may have an eye on extending, remodelling or redeveloping subject to the necessary consents. The owners have previously obtained planning permission for a contemporary "super home" as well as a Georgian style mansion. Details are available upon request.
