Summary

Jura was built by the award-winning developer Mya Casa.

It's ideally located near the amenities of Canford Cliffs village and the renowned Parkstone Golf Club. Beaches and the shores of Poole Harbour are also within easy reach, offering even more opportunities for leisure and relaxation. Arranged over three floors and extending to almost 3,700 sq ft, the house combines striking architectural design with a high-quality, contemporary finish throughout. The living accommodation is nothing if not dramatic with sitting space on the ground galleried over the garden level floor and an amazing feature light over a double height void. The garden level features an impressive open plan kitchen family room which is comfortably zoned for informal sitting, casual dining, and a highly luxurious kitchen with stone tops, a centre island with breakfast bar and integrated appliances by brands such as Miele. Other luxuries include a beautifully fitted out cinema with bar area and a study as well as programmable lighting. The decor has been subject to many upgrades by the current owners resulting in an interior design which is highly luxurious and beautifully presented throughout. Outside the garden features a private sun terrace connecting to the well maintained lawn whilst at the front generous and secure driveway connects to the 6m double garage.
