Summary

Leyton Conyers is one of the area's most exclusive blocks of luxury apartments comprising just seven dwellings in beautifully landscaped grounds on the clifftop above the beach.

Martello Park is a very favoured location being a quiet cul-de-sac yet convenient for the areas leisure amenities and a level walk from Canford Cliffs Village. The building has undergone a facelift in recent years resulting in modernised and luxurious circulation areas and entrance hall where the passenger lift can be found.

This ground floor garden apartment has undergone a significant no expense spared refurbishment by the current owner and to all intents and purposes it presents as brand new inside. It is a significant size - over 2,300 square feet - and it benefits from a large terrace which extends the full width of the apartment and which connects to the garden via a private gate and steps. It comprises three double bedrooms, each with en suite facilities, a separate study, semi open plan kitchen, living and dining as well as a reception hall.

The pictures and video paint a picture of the exceptional standard of fit and finish and the luxury specification includes a Control4 home automation system, which controls the lighting, under floor heating, CCTV, blinds, TV and audio. Also included is an underground private garage with private store room as well as a separate underground parking space.
