Summary

This is a rare find; a modern two storey home constructed approximately 7 years ago coupled with a wonderful family garden.

Bingham Avenue has become increasingly popular due to the fact that it offers the benefits of large houses sitting in spacious plots, yet it remains convenient for amenities at Lilliput as well as Poole Harbour, where Sandbanks beach lies just beyond. The total built from including the 9m detached garage is circa 4,600 square feet meaning the accommodation is more than generous. The layout includes an impressive open plan kitchen lifestyle room complete with a hand painted kitchen featuring stone tops and a centre island. A 'concealed' utility / pantry is a welcome surprise and the rest of the ground floor includes formal sitting, formal dining and a home office. The galleried reception hall imbues a sense of arrival and the current owners have added a largely glass garden room which connects the living to the private sun terrace, which is perfect for outside sitting and dining. Upstairs there are four generous double bedrooms, each with en suite facilities. The principal suite is exceptionally spacious with a walk in closet and a private sun balcony. The garden has been landscaped by the current owners and features a choice of terraces, a large lawn, a summer house and tucked away there's an underground shelter which has the potential to be used as a store although intending buyers should satisfy themselves as to its suitability. Finally the drive has generous space for guest parking and it is enclosed by remote control gates.
