

## Land adjoining Staines Road East, TW16 5AA

Guide Price £170,000

The plot is located on a quiet residential road, adjacent to a semi-detached property and a short walk from Sunbury Train Station.

The land has recently been granted planning permission for the construction of a end of terrace 2 storey 3 bedroom house. The new house is proposed along the same design and form of the house next to it.

There would be two front driveway car parking spaces, cycle parking to the rear and bin storage along with a new 2m high fence erected around the site. The fence and hedging will project around the front of the site to enclose a front to side garden area.
