A Beautifully Renovated Victorian Cottage in a popular and highly sought-after village location, midway between Stone and The Potteries. This delightful terraced cottage has been comprehensively refurbished by the current owner, benefitting from a ground up renovation, creating what is, for all intents and purposes, a brand-new home within its original shell, blending modern convenience with retained period character. The comprehensive works carried out to the property include a new kitchen and bathroom, new central heating system with combi boiler, re-wired throughout, new internal doors, skirtings carpets and décor throughout. The well-proportioned accommodation includes an entrance porch, two reception rooms, and a stylish kitchen with space for dining, complete with French doors opening onto the garden. Upstairs are two double bedrooms and a new bathroom, while a large, part-converted attic provides excellent storage and further potential. Outside, the property enjoys a cosy, low-maintenance garden, featuring a walled courtyard and lawned area with a sunny west-facing aspect and far-reaching views across open farmland. Perfectly positioned at the heart of the village, the cottage is within strolling distance of local amenities and walking distance to the Downs Banks, Wedgwood Visitor Centre, and the Trent & Mersey Canal.
